

The Schwegman Bathroom

Materials and Finishes Used:

- **Cabinetry:** Omega Dynasty cabinets, Nutmeg stain
- **Field installed elements:** Furniture bun feet, furniture base molding, fixed door panels on end
- **Cabinet hardware:** Canterbury knobs with back-plate and pull in German bronze finish
- **Countertops and backsplash:** Granite - Shivakashi Ogee and pencil edges
- **Kohler Faucets:** Antique, Vibrant brushed bronze finish
- **Sinks:** Kohler – Devonshire undermount

Our client asked us to sit with her and visualize a bathroom reminiscent of an old hotel in England. Then she asked us to create that bath without moving any mechanicals. The final design was amazing, incorporating furniture style vanities and then topping them off with complex granite countertops with decorative backsplashes. Truly was a step above extraordinary!
